NO FUNDS FOR FOOD LAW.

Need of Money Was Overlooked by Congress.

E. A. PRINDLE,

Telephone Connection.

Opposite Depot Square, - Barre, Vt.

Washington, July 7.—Congress passed a pure food law, but it failed to provide the wherewithal to cover the cost of enforcing it. This discovery has just been made, and announcement of the fact is made by the officials of the three departments in the fire was discovered in the district court of the fire was discovered in the work will been at once on the pure food horses were toasted alive at a fire that the completely destroyed a large two story barn owned by G. Herbert Thurston on 15th av, last evening. The exact cause of the fire is not known.

Arthur F. Stevens, the manager for Mr. Thurston, was sitting outside the harm when the fire was discovered in the large were expected.

President Roosevelt has signed commissions for the following recess appointments: Mane to the district court of the third division of the district of Alaska, to be judge of the district of harm when the fire was discovered in the large room. The flames spread rapid to torney of the territory of Oklahoma. While the enforcement of the gen- od the entire building. eral law is awaiting the progress of events the Department of Agriculture will be working on the cold storage problem. The pure fond inspection of next products will be wholly under the pure food law and will determine whethr or not the packers use delecterious in-redients. Dr. Wiley is working with ecretary Wilson and both are deternined that both the meat inspection and ire food laws shall be administered eith reasonable rigidness. He will pro cute for violations, wherever found.

LATEST HORROR.

Chickens Kept 10 or 12 Years in Storage Reported in Chicago.

mmittee of the city conveil has heard preserved and kept for 10 or 12 years for three months with a copy of Goldfield's

et county and sentenced to be hanged. en and Dr. J. H. Bacon, a Peoria bacterologist, the very worst conditions ob tain in cold storage everywhere," said Chairman Dover of the committee. "No housewife knows ut present but

General Machinists and Dealers in Mill the chickens she is buying may be of viding that each chicken be tagged with the date it goes into storage would remedy this condition, and a rigid inspection law would bring about sanitary conditions and put an end to putrid ment and clockens,"

HIGHEST TOTAL.

Immigration at New York for the Year La 850,000.

New York, July 7.-The influx of imnagrants at this port in the fiscal year 1905-6 broke all records. It was announced this morning that Commissloner Watchorn's report, which will be submitted on July 10, will show that immigration for the year ended June 30 reached the great total of \$50,000. The record for the previous fischi year, 788,289, is thus exceeded by a large

The total comber of arrivals of immigrants at all ports in the United States during the fiscal year 1905 was 1,027,421. The previous high figure was in 1903, when the total was 857,046. During 1905 275,693 immigrants came from Austria-Hongary. Haly dropped to second place for the first time in six years, the total from that country having been 231,479. Russia caree third with 181,897, white Great Britain was fourth with 137,057. The Scandinavian countries contributed 60,025.

Since 1830, or in 86 years, the total number of immigrants arriving in this country has been approximately 24,000,-

NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is that deprives the rose of mettal suffering; for how prignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its heauty and fragrance were doomed forever. Nature always spares the suffering; she is a verifable store-house of pleasing rewards, for those who seek her aid. In the year gone by falling hair and grayness have cast a gloom over the lives of thomand of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows intended absolutely destroys this germ, that the hair follicles. Newbro's Herpicidal absolutely destroys this germ, that permitting the hair to grow as an investigations of scientists. Send 10c. in stamps for sample to The Herpicide Co. Detroit the herbicide Co.
